

GOODING ONE SHEET

ADD DATE: MARCH 4, 2013

FOCUS TRACKS: "MOUNTAIN" – "DARK HORSES" – "HEY, HEY"

With 800 shows in 157 cities under their belt, Gooding is a soul-stirring, animated Rock 'n' Roll band from the plains. This LA-based/Kansas-bred power trio is one of the hardest-working bands in America. Guitarist/Singer "Gooding" & his band of brothers, Jesse Rich and Billy Driver, have been touring nonstop for 8 years. Their live shows are infused with the confident energy and heart-on-your-sleeve emotion that only comes from 3 childhood friends living out their dream on the road.

TOURING PROFILE:

- **GOODING** recently teamed up the Credit Union of America & US Bank to play a series of sponsored shows, as well as to speak to students about Financial Literacy
- Their **BUFFALO** tour will cover almost every state in the lower 48 in their "Green-Powered Fan-Powered" Bus.
- Festivals include: Voofofest, Sunset Strip Music Fest, Wakarusa, SXSW, Dfest, South Park, Wichita Riverfest, Little Rock Riverfest, TX Rock Fest, & Orange County Fair

BUZZ:

- "Gooding remains one of the most remarkable players anywhere." – *Wichita Eagle*
- "Gooding blends a myriad of styles that he has come to manipulate so well, and has created a sonically superior work of art." – *Infinity Press*
- "Shouldn't he be playing in an arena or stadium somewhere, in front of thousands of screaming fans? Someday soon, I'm willing to bet...he – and his band – will knock your heads askew." – *The Daily Oklahoman*
- "Pushing on boundaries when not simply smashing through them, **Gooding** masterfully combines acoustic and electric textures into a collection of tracks that holds together amazingly well...pure craftsmanship." – *AMG*
